Premium *Choice* Series Ventilation Fans **PCD80XHP**

PCD80XHP PREMIUM CHOICE CEILING EXHAUST FAN WITH DC MOTOR

S&P's Premium Choice Series Ceiling Exhaust Fan model PCD80XHP is built for enhanced efficiency and quieter performance with a 0.5 certified sone rating and efficiencies far exceed energy star requirements. Further improvements to an already solid PCD80XH design include an all-new plastic blower wheel featuring Autoflo™ technology on both high and low speeds.

KEY FEATURES

- Low speed runs continuously (Adjustable 0, 30CFM)
- Max CFM) -Built-in high/low two speed operation with Autoflo Technology
- High speed can be activated through the humidity sensor or a manual high-speed over-ride switch
- Fixed 20-minute time delay feature

MODEL	CFM *	SONES*

	PCVRD Radiation Damper
	PCVLEDKRDP LED Lighted Radiation Grille Kit

AUTOFLO™ S&P USA

Autoflo™ is an innovative technology that automatically adjusts the fan speed based on the actual Static Pressure in the duct system ensuring a specified amount of airflow.
